The Positive Place For Kids

BOYS & GIRLS CLUBS
OF LAKE AND SUMTER COUNTIES

Our mission is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive, responsible and caring citizens.

For thirty seven years, the Boys & Girls Clubs of Lake and Sumter Counties has established itself as the premiere place for education, socialization, recreation, and safety for area children and youth.

The Clubs offer a broad range of programs in five key areas:

- Character & Leadership Development
- The Arts
- Sports, Fitness and Recreation
- Health & Life Skills
- Education & Career Development

We currently serve youth at two locations - the Teeter Unit in Leesburg and the NE Lake Unit in Eustis - after school and during school breaks. A third location in Clermont is being planned to serve youth in the South Lake County area.

Our facilities are open five days per week (with some weekend activities), serving as a “home away from home” and a safe place for hundreds of local economically disadvantaged children. In 2009, we served over 1,000 children and youth (ages 5-18) in the Clubs and through community outreach.

For more information, or to find out how you can help, call (352) 787-0053, visit our website at www.bgclsc.org, or join our group on Facebook.
